Umbral Sight. Darkvision 90ft.
While in darkness, you are invisible t any creature that relies on darkvision to see you in that darkness.

Feline Agility. Your reflexes and agility allow you to move with a burst of speed. When you move on your turn in combat, you can double your speed until the end of the turn. Once you use this trait, you can't use it again until you move 0 feet on one o your turns.

You can give yourself a bonus to your initiative rolls equal to your Wisdom modifier.

Dread Ambusher .At the start of your first turn of each combat, your walking speed increases by 10 feet, which lasts until the end of that turn. If you take the Attack action on that turn, you can make one additional weapon attack as part of that action. If that attack hits, the target takes an

Gloom Stalker Conclave. Gloom stalkers are at home in the darkest places: deep under the earth, in gloomy alleyways, in primeval forests, and wherever else the light dims. Most folk enter such places with trepidation, but a gloom stalker ventures boldly into the darkness, seeking to ambush threats before they can reach the broader world. Such rangers are often found in the Underdark, but they will go any place where evil lurks in the shadows.

Primal Awareness. You can focus your awareness through the interconnections of nature: you learn additional spells when you reach certain levels in this class if

Outlander (Bounty Hunter)

Wanderer: You have an excellent memory for maps and geography, and you can always recall the general layout of terrain, settlements, and other features around you. In addition, you can find food and fresh water for yourself and up to five other people each day, provided that the land offers berries, small game, water, and so forth.

CHARACTER BACKSTORY

Natural Explorer (Forest, Underdark)
You are particularly familiar with one type of natural environment and are adept at traveling and surviving in such regions. When you make an Intelligence or Wisdom check related to your favored terrain, your proficiency bonus is doubled if you are using a skill that you're proficient in

While traveling for an hour or more in your favored terrain, you gain the following benefits:

Difficult terrain doesn't slow your group's travel.
Your group can't become lost except by magical means.
Even when you are engaged in another activity while traveling (such as foraging, navigating, or tracking), you remain alert to danger.
If you are traveling alone, you can move stealthily at a normal pace.
